

# FOP #88 Meeting

**Date: 04/20/2020**

**Time: 1915 hours**

Many of us are new to the world of online meetings. The E-Board is attempting to continue to provide quality service and allow members to attend meetings while still staying within the ever changing guidelines presented due to Covid-19. Please understand that growing pains are to be expected but they will be handled efficiently. If you have sent in a request to attend the meeting you will be sent a link on your personal email 15 minutes prior to the meeting. It would be beneficial if you download and familiarize yourself with the WebEx app before the meeting. Once in please **mute your mic**. The E-Board members will go over the agenda and present various information. If you have a comment or question please notify VP Jerry Brittain in the chat section and we will clear the line for you to speak. Further request may be made of you depending on the number of individuals that attend the meeting. With a little patience and a positive approach we will be successful.
