

LETTER OF AGREEMENT

THIS LETTER OF AGREEMENT (“Agreement”) is made and entered into between the Fraternal Order of Police, Lodge 88 (FOP 88) and the State of Nebraska (State) to amend the 2021-2023 Labor Contract (Labor Contract) between the parties. The Agreement language outlined and agreed to herein shall amend the current Labor Contract sections as specified. This Agreement is effective December 6, 2021 and is contingent upon the Nebraska State Legislature approving the budget to finance this agreement. In the absence of Legislative approval, the Agreement shall be void and the 2021-2023 Labor Contract, as it existed immediately prior to December 6, 2021 shall control. The State and FOP 88 agree to support legislative efforts to obtain approval and budgetary support.

The parties agree to incorporate new contract language or replace current contract language with the following:

6.10 Notwithstanding the above, one employee from each bargaining unit covered by this contract may be granted a one-time leave of absence, as requested in writing by a certified Union official, and when such leave of absence does not cause undue hardship on the agency, to conduct official Union business. Request for the leave herein shall be made annually. Such leave for purposes of this provision ~~shall not exceed one year and~~ shall not be unreasonably denied. After a period of four years of such leave of absence by a particular employee, the Department may approve or deny any further leave of absence at its own discretion. Such leave shall not affect the service date, and the time spent on such leave shall count for the purposes of state and classification seniority, upon return to work from the leave of absence. The employee shall be returned to the duty assignment the employee was in immediately prior to the leave of absence unless the assignment has been discontinued.

9.6 **Moving Allowance:** With the prior approval of the Agency Head and/or his/her Designee concerning reimbursable costs, employees involuntarily transferred to a new job location fifty miles or more from the employee’s old residence than the old residence was from the old job location shall be reimbursed for receipted moving expenses, as provided in the IRS guidelines. For the purposes of this section, promotions and the exercise of any bumping option shall be considered as a voluntary transfer. Notwithstanding the above, at the discretion of the Agency Head and/or his/her Designee, employees may be reimbursed for moving expenses.

The Employer may implement moving allowances for new hires. Such allowances are intended for new hires only and shall apply only to teammates who are hired from out of the State of Nebraska or who live two-hundred or more miles from the facility in which they are to be assigned. Such allowances may exceed the actual cost of moving.

11.2.4 It is the intent of the parties that advancement from one step to the next step in a pay line shall occur on July 1 of each calendar year for employees in the following classifications—Corrections Corporal, Corrections Unit Caseworker, Corrections

Sergeant, Behavior Technician, Mental Health Security Specialist II, Youth Security Specialist II, and Developmental Disabilities Safety & Habilitation Specialist, subject to the above provisions, and shall ~~stop~~ end upon attainment of the highest step in the classification's pay plan.

Disciplinary probation does not disqualify an employee from receiving a merit increase unless identified by the Director. No employee subject to disciplinary action greater than disciplinary probation shall be eligible for a merit increase, subject to the Director's discretion.

Article 11.3, 11.3.1, 11.3.2, and 11.3.3 of the current 2021-2023 FOP 88 – State of Nebraska Labor Contract shall be stricken and replaced with Article 11.3, 11.3.1, 11.3.2, and 11.3.3 as follows:

11.3 December 6, 2021 Institution of New Pay Lines

On December 6, 2021, pay lines in Appendix A shall become effective. The following classifications shall have a pay line consisting of seven (7) steps as outlined in Appendix A: Corrections Corporal, Corrections Sergeant, Corrections Unit Caseworker, Behavior Technician, Mental Health Security Specialist II, Developmental Disabilities Safety & Habilitation Specialist, and Youth Security Specialist II.

The classifications of Security Communications Specialist, Security Guard, Military Security Officer Trainee, and Military Security Officer shall have a pay line consisting of a minimum hourly rate of pay and a maximum hourly rate of pay as outlined in Appendix A.

On December 6, 2021, employees covered by this Labor Contract, whose pay line consists of seven (7) steps as specified above and outlined in Appendix A shall be placed on the pay lines established in Appendix A as follows:

All employees whose hourly rate of pay as of December 5, 2021 is on a respective step of their classification's pay line shall remain on that same numbered step. For example, a Behavior Technician (P72011) on Step 2 (\$20.00) as of December 5, 2021, shall be placed on Step 2 (\$25.00) of the Behavior Technician (P72011) pay line on December 6, 2021.

All employees whose hourly rate of pay as of December 5, 2021 is between steps on their classification's pay line shall first be placed on the step immediately above their hourly rate of pay on the pay line in place on December 5, 2021, and then shall remain on that same numbered step on the pay line effective December 6, 2021. For example, a Corrections Sergeant (P66113) whose hourly rate as of December 5, 2021 is \$26.50, between Step 3 (\$26.00) and Step 4 (\$27.00) shall first be placed at Step 4 (\$27.00), and then shall remain on that same numbered step, thus placing them at Step 4 (\$32.00) of the Corrections Sergeant (P66113) pay line on December 6, 2021.

All employees whose hourly rate of pay as of December 5, 2021 is at or above the Maximum Hourly Rate, Step 7, of their classification's pay line shall receive a five dollar (\$5.00) increase to their annual full-time equivalent salary base in order to match the amount that their respective classification's pay line has been increased. For example, a Corrections Corporal (P66112) whose hourly rate as of December 5, 2021 is \$29.20, which is above Step 7 (\$26.00) in Appendix A – Pay Lines of the Labor Contract and not Appendix A of this Agreement, shall receive an increase of five dollars (\$5.00) to their hourly rate. The new hourly rate would be \$34.20, above the new Step 7 (\$31.00) of the Corrections Corporal (P66112) pay line, on December 6, 2021.

On December 6, 2021, employees covered by this Labor Contract, whose pay line does not consist of seven (7) steps, but rather consists of a minimum hourly rate of pay and a maximum hourly rate of pay as outlined in Appendix A, those being Security Communications Specialist, Security Guard, Military Security Officer Trainee, and Military Security Officer, shall be placed on the pay lines established in Appendix A as follows:

All employees shall receive a four dollar (\$4.00) increase to their annual full-time equivalent salary base in order to match the amount that their respective classification's pay line has been increased. For example, a Security Guard (P64831) whose hourly rate as of December 5, 2021 is \$16.00 shall receive an increase of four dollars (\$4.00) to their hourly rate. The new hourly rate would be \$20.00 on December 6, 2021.

11.3.1 Pay Differential

Effective December 6, 2021, employees in the following classifications covered by this Labor Contract shall receive additional pay in addition to their hourly base pay rate ("Pay Differential") in the amount of three dollars per hour (\$3.00/hour) in each step of the pay line: Corrections Corporal, Corrections Sergeant, Corrections Unit Caseworker, Behavior Technician, Mental Health Security Specialist II, Developmental Disabilities Safety & Habilitation Specialist, and Youth Security Specialist II.

This Pay Differential shall be in addition to any other hourly differentials outlined in this Labor Contract, and shall be included in the hourly pay rate that is used for the calculation of overtime. The Pay Differential outlined in this section shall continue as a Pay Differential during the course of this 2021-2023 Labor Contract.

For the purposes of July 1, 2022 increases, step movement shall be to the base hourly rate of pay as outlined in Appendix A. The total hourly rate after July 1, 2022 increases shall include the Pay Differential as reflected in Article 11.3.1. On July 1, 2022 employees
